Sunday - November 1 -

Have been so rushed that I could not get time to write any letters, but will try to get one off to you this week. I was delighted with the picture of "the Williams" and look at it & imagine myself taking a stroll as far as the pumps before supper is ready. Thanks muchly for the Hallowe'en card, it's very pretty. I will tell you in my letter of a Hallowe'en party I went to & other things I've done.

Love from Cora.
